

## REMOTE ART DAY: Happy Accident Drawings

Sometimes the blank page can be intimidating, because you don't know what to draw. Try creating a purposeful **"happy accident"** with a little **splash of tea** to get started. The best part is that you get to sip tea while you work! Remember to share your finished pieces by tagging us!

### MATERIALS

- Paper
- Tea
- Pen, pencil, etc.

### STEP ONE

**Dab a freshly steeped tea bag onto your paper**

\*Be sure to have an adult assist with hot water. Wait until the tea bag is cooled before using—safety first!

### STEP TWO

**What do you see?**

Use your drawing tool to outline whatever you see!

### STEP THREE

➔ **Share your drawing(s) with us!**

Did you see:

- A coyote?
- A lizard fish behind a sea anemone?
